MONTHLY REPORT FOR THE PHOTO INTELLIGENCE DIVISION
MONTH OF JULY 1957

A. ACCOMPLISHMENTS

1. Projects and Reports

a. The activity of the Division continued at a high level during the past month. Most of the work was in support of top priority projects for the DCI, DD/I and AD/RR. In addition to the work accomplished in support of special project [REDACTED] three Photographic Intelligence Memoranda were issued, support was provided on a DD/P training operation and many substantive and technical consultations were held. Work accomplished is noted below by supported unit. 25X1A2g

25X1A2g b. DCI, DD/I and AD/RR: The bulk of the Division's effort was devoted to special project [REDACTED] Project 70.210 [REDACTED] is cancelled. 25X1A2g

c. ORR, Geographic Area: Most of the work accomplished for the Geographic Area utilized "special photography." Map compilation work for Project 70.266 [REDACTED] has been completed and the material has been delivered to D/GC for final production. 25X1A2g

25X1A2g d. ORR, Economic Area: Liaison and support continues on projects utilizing "special photography." Additional material has been received for Project 70.257 [REDACTED] Work continues on Project 70.253 [REDACTED] Work is underway on a joint, Army, Navy and CIA study concerning communication facilities in the Moscow area (Project 70.267). Project 70.268 [REDACTED] utilizing "special photography" was initiated. 25X1A2g

25X1X7 e. OCI: Liaison and support continues on projects utilizing "special photography." The Division is closely examining the increasing quantity in response to requirement from the OCI requester. 25X1D3a [REDACTED] 25X1D3a [REDACTED]

25X1A2g f. OSI: Liaison and support continues. Additional information has been requested for the study of the Angarsk area, based on the analysis of ground photography (Project 70.265). Work is in progress for Project 70.203 "Baymak-Kisil'skoye Mining Area" using [REDACTED] photography. A study of "Mining Activity and Transmission Lines as shown on [REDACTED] photography, Mission GIB-13 is near completion. 25X1A2g

g. DD/P: The Division continues to devote much of its effort in support of DD/P. A large quantity of photography of greatly increased quality was received for Project 70.257 [REDACTED] Work continues on [REDACTED]

25X1B0c

Project 70.225 "The Evaluation of the MM50 Camera" and 70.221 [REDACTED]
Heavy workload has delayed final completion of the study "A Guide
[REDACTED] prepared for
Project 70.248. Considerable effort was devoted to the preparation of
a map of the DZ area for Project 70.260 [REDACTED] which has been 25X1A2g
delivered to D/GC for final production. Support was rendered in a
training exercise in preparation for a DD/P operation. A lecture was
presented to the DD/P photography class.

h. OIR: An exhibit and briefing personnel were provided in support of
the Intelligence Products Exhibit. The Division's Basic Photographic
Interpretation Course will end in early August. The Airplane flight
conducted for the first time as a regular portion of the course
was considered very successful despite a heavy haze condition.

2. ADMINISTRATIVE AND PLANNING: Considerable time has been spent on
administrative matters pertinent to the functioning and program development
of the Division.
